Dear Djimy:

I am grateful that I was referred to The Speedy Man courier and I have to once again thank you for the excellence you bring to your business. Before working with you, I did business with another local courier service, as you know. In the time our office has worked with you I could not be more pleased that I switched. When we call, you are always quick to respond, often times on very short notice. We have quickly grown to rely on you for this level of professionalism.

I look forward to our work together for many more years and I will continue to recommend you to anyone I know in need to the dependable service you provide. If I can be of any assistance to you in the future, please let me know.

With great thanks and appreciation, I am

Very truly yours,

Thomas J. Recupero, Esq.
